

EU Type Examination Certificate

Date: 2026/03/11

n. **764261102/OE**

Validity: 2030/09/04

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: **RESTYLE WEAR B.V.**
(Responsible of the PPE) Oosteinderweg 127 A+B, 1432AH Aalsmeer – THE NETHERLANDS

Type of PPE: **Protective gloves for motorcycle riders**

Category of PPE: **II** : "medium" risks.
This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.

Model **"CE-OLIVER"**
2 COLOURWAYS

Description: Description of the **BLACK** colour variant: (*)

BLACK

model: five fingers;
palm side: black grain leather (NL-01) matched with black knitted fleece (PL-01);
back side: black grain leather (NL-01); black grain leather (NL-01) stitched with white knitting; black perforated grain leather (NL-02);
lining back side: black fleeced knitting (PL-01) matched with grey foam material (total code PL-06);
side wall of index and little finger: black grain leather (NL-01) matched with black knitted fleece (PL-01);
partial reinforcements: black grain leather (NL-01); inside the glove, yellow foam material lined with black fabric; black rigid preformed polymeric material;
fourchettes: black fabric (CD-02);
elastic wrist-band: black elastic band (EB-01) applied internally;
cuff: black grain leather (NL-01) matched with black knitted fleece (PL-01); black perforated grain leather (NL-02);
lining of the cuff (behind NL-02): black fleeced knitting (PL-01) matched with grey foam material (total code PL-06);
fastening system: strap made of black grain leather (NL-01), closed with a black hook and loop fastener (VLC-01);
reinforcement on palm basis (impact abrasion area): black polymeric material; yellow foam material;
knuckle reinforcements: black/grey polymeric material; black knitting; yellow foam material; black fleeced knitting (PL-01) matched with grey foam material (total code PL-06);
edging: black knitting coated with black polymeric material (PU-01).

(*) The gloves are also available in the **BLACK/WHITE/RED** colour variant. See pictures on page 2.

Technical Standard: **EN 13594:2015** Protective gloves for motorcycle riders – requirements and test methods.

Intended use: for motorcycling activities, intended to give protection against ambient conditions together with limited mechanical protection to the hands and wrists in accidents.

Size range: Commercial sizes: from XS to 4XL

EU Type Examination Certificate

Date: 2026/03/11

n. **764261102/OE**

Validity: 2030/09/04

Technical File: **DC-21284/E**

Test report: **RCT n° 4508003/E**

Functions and performance levels:

EN ISO 21420:2020:

Protective gloves. General requirements and test methods:

the gloves satisfy the general requirements of design and manufacturing, innocuousness, ergonomic properties.

EN 13594:2015

Protective gloves for motorcycle riders:

According to the basic requirements tested and assessed, this glove has obtained an overall performance level of **1^(*)**.

KP = additional property indicating the presence of the knuckle protection.

(*): the higher level provided by the technical standard is level 2, granted to gloves providing an increased protection with respect to level 1 but might have weight and ergonomic restriction penalties.

Marking:

printed on stitched labels and displaying the following information:

- **CE Marking;**
- name, trademark and address of the Manufacturer;
- item designation, size indication;
- pictogram to indicate the intended use (motorcycling) + overall level of performance achieved during laboratory tests + symbol KP to indicate the knuckle protection + nr. and year of the reference Standard;
- additional information: care and washing symbols/instructions, warnings, pictogram inviting to read the user manual.
